Since the first announcement of the early candidates in the Maysville Daily Bulletin-Public Ledger's great popular voting contest the interest has increased, and is becoming more widespread every day. This interest is growing with each announcement, and more candidates are being put forward by admiring friends.

It is an honor to any young woman to be selected by her friends and relatives, and to be nominated as one of the contestants in the Daily Bulletin-Public Ledger's voting contest. It is a pleasure to the Daily Bulletin-Public Ledger patrons to be put in a position to favor their friends and acquaintances by voting for them. The list is still open, and it is desired that every one who may wish to enter the contest make the necessary nomination at once, as it is an advantage to get an early start. Nominations may be made in person or by mail. You can nominate yourself or a friend, using for your convenience and that purpose the blank published in these papers. It costs absolutely nothing to maintain or vote in this contest.

The votes of the patrons of the Daily Bulletin-Public Ledger by which the list of magnificent prizes will be awarded are absolutely free. That is one of the features that insures the Daily Bulletin-Public Ledger's popular voting contest. The greatest in the history of the prosperous Northeast and offers the women of Northeastern Kentucky an opportunity that has never been equaled.

Nominated By Friends
In nearly every case nominations have been made by the friends of the candidates, or were made by candidates themselves it has been upon the suggestion and solicitation of others. This proves beyond a doubt the high standing of the candidates and that they are representative young ladies in their various districts.

Voting is not restricted in any sense whatever. Anybody may vote as often as he pleases and for whom he pleases, no matter from what county or district the lady may be entered. This is a voting contest and the young ladies receiving the largest number of votes will be awarded the prizes.

Unlike other contests, this affair pays in value for every cent invested. Votes are not purchased at so much each, but for every cent received by these papers, a cent's worth of value is dealt out in the news of the world. It is an investment rather than an expenditure, and no one should consider it in the light that money paid out is money thrown away.

The ballots to be used for voting are secured by subscribing for the Daily Bulletin-Public Ledger, the leading newspaper of Northeastern Kentucky. Those who are already subscribers to the Daily Bulletin-Public Ledger may secure votes by making payments on subscription, whether in advance or in arrears. Every subscriber is entitled to votes, and they can be secured when payments are made.

Candidates can solicit the payment of subscriptions and also solicit for new subscribers. As fast as payments are made they should be sent to the Contest Department and credit will be given. Candidates who desire can call on the Contest Department in Maysville, where they can procure all necessary subscription blanks and the contest manager will take pleasure in explaining everything not entirely clear. If it is not convenient for you to come to the office call up the contest manager by phone, give your name and address and he will be glad to call and see you.

Contestants should remember one thing: In each of the two districts we will give absolutely free—One automobile.

one Victrola, one diamond ring and \$100.00 in gold.

These prizes will be given absolutely free to the young ladies of Maysville and other district. All that is necessary to be a winner is to be one of the first seven in your district when the votes are counted. The ladies to receive these prizes will be determined by popular vote, as explained elsewhere in this paper.

If there is anything concerning the contest you do not understand write to the Contest Manager. There will be a short writeup in this paper every day from now on to the end of the contest, and those interested can keep in close touch with the contest and competing candidates. Certain it is that fourteen ladies of Maysville and surrounding country are going to get one each of these magnificent rewards, and it is left to the readers of the Daily Bulletin-Public Ledger to decide.

How Territory is Divided
District No. 1 will include the territory in the city of Maysville, the entire six wards.
District No. 2 will cover all the towns in Mason county and territory outside the county and state.

Anyone who desires to vote in this contest may do so by coupons and nomination blanks clipped from the Daily Bulletin-Public Ledger and by special vote ballots obtained by subscribing to the Daily Bulletin-Public Ledger. The ballots secured by subscribing to the Daily Bulletin-Public Ledger may be held as long as desired and voted at any time up to the close of the contest, but coupons cut from the Daily Bulletin-Public Ledger are only good for ten days from publication and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district but may vote for anybody in the race.

This affords the young women of Maysville and outside territory an excellent opportunity to receive valuable presents.

Instructions for Voting

Get the young lady to enter her name and then vote for her. Those who get in on the start have a better chance to win, so it is desirable the name be entered at once in order to get a good start. Candidates who enter this contest do not necessarily have to be subscribers of the Daily Bulletin-Public Ledger. Enter your name and your friends will receive your votes. You will be surprised to see how rapidly the votes will come in, and what little effort is necessary to win one of the rewards offered. Get in at the start and encourage your friends to vote for you; the rest will be easy. You will never know how popular you are until you enter a contest of this kind.

Write For Information
If you do not fully understand the proposition or if there is any information you desire about the details write to, or call on the contest manager. He will take pleasure in giving you the data you desire, and if you will fill the nomination of yourself or some friend he will send the candidate the necessary blanks and forms with which to conduct the canvass for free votes.

Unpaid Subscriptions Count

All subscribers to the Daily Bulletin-Public Ledger who are in arrears on their subscription account and who settle same, are entitled to votes according to amount paid. When you pay your subscriptions be sure you receive the votes to which you are entitled.

How to Win
Any young lady who desires to enter this contest and win one of the magnificent prizes offered should see that her name is sent to the contest department.

Candidates should at once interest their friends in the contest, and by united and energetic action induce as many people as possible to vote for them. Each nomination coupon will count 20,000 votes for a candidate.

The nomination coupons will only appear for a few days and only a limited number of nominations will be accepted. Cut the nomination blank from this issue and send it to the contest manager with your name or the name and address of your favorite candidate. A subscription is not necessary, but a good start means much. The name of the person making the nomination will not be divulged, if so requested.

Any lady residing in the territory hereafter mentioned is eligible to compete in this contest.

Open Evenings
For the benefit of those who are able to get to this office during business hours, the contest department will be open every evening until 9 p. m.

**FARMERS' CHAUTAUQUA OPENS
SUNDAY AT GERMANTOWN**

The Farmers' Chautauqua opens Sunday morning at Germantown and it promises to be one of the most instructive events ever held in the interest of the farmers. While the chautauqua has been arranged by Mason, Bracken and Robertson counties the management wishes to make it very plain that the event is for the benefit of all counties and anyone from any where is welcome. The managers sincerely hope the many farmers will give them the opportunity to demonstrate that welcome.

The program opens Sunday morning with a union Sunday School service and as Mr. Harry C. Curran is to be chairman of the day the success of this service is assured.

During the chautauqua in all probability the Jeffrey Lame Pulver Co. will demonstrate their appliances and the Wheeling Mould Foundry Co. are expected to make demonstrations. If the management succeeds in getting these demonstrations it will add to the already interesting and instructive program.

Every farmer who can should attend. The place is Germantown and the date August 1, 2, 3.

Customers were delighted with their shoe bargains from Barkley's. We hear it every day. More bargains Saturday for you.

DOUBLE HEADER

On account of inclement weather, the ball game between Maysville and Ironton was called off Friday and a double header will be staged today. The extra bill being given to take place of the game called off Friday. As this is the first double bill of the season the fans should attend en masse, and root for the home club. Our boys are going like a house afire and it is well worth the price of admission to watch them walk away with the game. Big John Singleton will work in one of the contests, assuring the fans a good game. Brockley will probably occupy the mound in the other. Myers will be on the hump for the Nallers in one of the contests while Lavender will toss the pill in the other. Manager Devore will show some more of his newly purchased material today and every one should be out giving the new players the glad hand. Frankfort will be the attraction Sunday and as the team is fighting for first place a big crowd should be out to see our boys take the Lawmaker's measure.

HUNT'S

1915

LOST, STRAYED OR STOLEN

The officials about the Court House are puzzled over the disappearance of the box of lucious peaches from the auto occupied by Jailer John W. Eitel, Chief of Police Mackey, Deputies Mike Brown and George Laycock, Thursday afternoon.

The genial jailer bought the fruit while whisking over the roads of Mason county in the aforesaid machine. The party drove up in front of the establishment of Mike Brown in East Second street, and while they were inside some one stole the peaches.

Of course every one of the party was peevish to a certain extent, but our big jailer was the most wrathful as the only thing he likes better than peaches is more peaches. After a prolonged hunt for the stolen fruit the search was given up and Eitel was

heard to remark, "It beats all to have something stolen from you, when you have a Chief of Police and two sheriffs with you. The next time I go out autolung and take peaches I am going to have a company of militia along to watch the peaches."
